#### **DETAILED ACTION**

##### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(c), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(c) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on November 24, 2008 has been entered.

#### **REASONS FOR ALLOWANCE**

2. The following is an examiner's statement of reasons for allowance:

For claim 1, 10, 20, 29, and 39 allowable because the Prior Art of record fails to show or render obvious generating a new transmit timestamp for the data packet in real-time, the new transmit timestamp being generated at the time of transmission of the data packet by the packet match filter triggering a snapshot register to take a snapshot of a transmitter timestamp counter; switching a connection of a physical layer (PHY) from the MAC to the snapshot register using a data switch and inserting the new transmit timestamp from the snapshot register into the timestamp field of the data packet in place of the original timestamp for the data packet; switching the connection of the PHY back to the MAC to enable a remaining portion of the data packet in combinations set forth in the respective claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee.

Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
